Itinerary

Our San Luis Obispo wine country full day bike tour features the Edna Valley, which has some of the prettiest bicycle riding in San Luis Obispo County, as well as several excellent wineries to taste at along the route. Our ride begins just outside San Luis Obispo and ventures immediately into the wine country that begins just south of town. Get your camera ready for stunning views of picturesque hills rising above rows of grapes. We have opportunities to visit such award winning wineries as Chamisal, Kynsi and Baileyana, with the highlight being a gourmet picnic lunch and complimentary tasting at Talley Vineyards, located at the south end of the Edna Valley. Longer cycling options into the rolling farms and ranchland south of the valley are also possible. Other wineries you can visit include Claiborne and Churchill, Sextant, Biddle Ranch and Edna Valley. After lunch, the ride yields beautiful views of the Nine Sisters, a line of craggy volcanic hills stretching from San Luis Obispo to Morro Bay. With all the options to extend mileage outside the immediate valley and so many wineries in the central area, this is an ideal trip for cyclists of differing abilities and interests.

Distance/Difficulty/Terrain: 20 miles with options to add 5-35 miles. Moderate. A mix of relatively level riding with some hillier stretches. No major climbs on basic route. One major climb on longest added option.

Climate / Weather

The weather in the San Luis Obispo area is moderate year round. Mid summer daily high temperatures average in the low 80s and lows are typically in the mid 50s. Mid winter temperatures are only about 10-15 degrees cooler, with highs usually in the mid 60s and lows in the low 40s. Fall and spring temps are between these ranges. Rain is very rare from May to October.
